

## **PRESS RELEASE – Provision of Emergency Medical Services During Protests**

**Nairobi, Kenya, 26<sup>th</sup> June 2024:** Our attention has been drawn to a viral video circulating on social media platforms regarding an unauthorized use of ambulance during protests in Nairobi. Emergency Plus Medical Services (E-Plus) clarifies that our mission was purely to offer emergency medical services to any person (s) in need of medical evacuation.

We confirm that our ambulances were only used to evacuate injured persons in need of medical assistance.

**During yesterday’s protests, we attended to over 150 casualties at our temporary triage stations in the Nairobi CBD and the entire country. A total of 50 critically injured persons were rushed to various hospitals for further treatment.**

E-Plus remains committed to delivering professional emergency medical services, ensuring the well-being and safety of all individuals.

### **About E-Plus**

E-Plus is the largest private Emergency Medical Services and pre-hospital care provider in the East and Central Africa, with 128 fleet of superior, fully equipped state-of-the-art ambulances, manned by highly qualified paramedics and experienced in pre-hospital care.
